

What's up at Wanless, MMC, inside story....23/1/22

Let's peep into our CRCU... critically, terminally ill patients are welcomed, treated with quality care, compassion, expertise and the results are very good. Dr Anand Sakte, physician and HOD, Medicine has treated scores of patients to date in this complex. ICU has been one of the greatest strengths of Wanless. Our ICU nurses, DNB medicine students, physiotherapists, respiratory technicians, dieticians, are simply great. Excellent backup by our engineering and biomedical engineers ensure smooth functioning..Keep it up.
