## Wanless Hospital, Miraj Medical Center

### *From The Directors Desk.....*

Then He saw the multitudes, He was moved with compassion for them, because they were weary and scattered, like sheep having no shepherd.

Matthew 9: 36

Greetings to all of you from Miraj Medical Centre, Wanless hospital, Miraj. Miraj Medical Centre, Wanless Hospital has been the apple of the Lord's eye for the last 128 years. It still is. This is His vineyard and He has created this facility to help His children who need healing and health. Many of His chosen servants were called and separated by Him to carry on this noble task of healing. They served as administrators, board members, staff, teachers, donors and what not. Every person in this place is called by God. We all are His sheep and today He sees that His sheep are weary and scattered like sheep without a shepherd. He is moved with compassion for all of us. Isn't it a comforting thought that God cares for Wanless, for all of us in Wanless? He is willing to be our Shepherd and carry us on His shoulders? If God be for us who can be against us? Will He not give us all things we need? Yes He will.

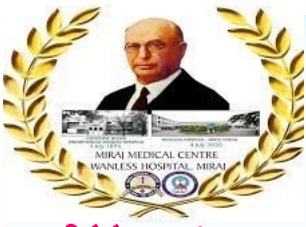

All of us in MMC are thankful to God that we are still alive, we were not consumed by the difficult times, we still are blessed, healthy and filled with hope. Only let us persevere and cling on to our faith till we claim our blessings. It is difficult, but God in His mercy grants us the Grace and Mercy we need to hold on to our faith in turbulent times. The Glory of our latter days will be greater than our former days. God will enlarge our tents, lengthen our cords and strengthen our stakes. We will mount up with wings like eagles and soar to the heights God has apportioned for us. **Amen.**

#### \* PATIENT CARE AND RESULTS..

Many new polyclinics and superspeciality corporate hospitals have come up in Miraj. But MMC still continues to be the referral centre for critically ill patients. We have many stories and testimonies from our patients healed in Medicine under Dr. Anand Sakte, Surgery, Dr. Tanaji More, Dr Moses Ingty, Ob Gyn Dr. Mangala Raajput, CTS, Dr. Shirish Pargaonkar and Dr. Sanjeev Waidande, Cardiology Dr. Subodh Dhanawade and Dr. Riyaz Mujawar, Paediatrics Dr. Vinayak Patki, Dr Sachin Jangam, Orthopedics Dr. Khade and Dr. Sandeep Eden, Dermatology Dr. Shailaja Sase, Dental Dr. Sonal and Dr. Rutuja, Ophthalmology Dr Bhosale, and Nephrology Dr Rajiv Gandhi. Our doctors have stayed with Wanless through tough times. We are few but enough for God to use us mightily for His glory. What we need to hold on to is quality and compassionate care and God Almighty will do the rest. Dr Ivor Dillon is working on making Wanless paperless in the near future which will add to our quality.

#### \* NEW ADDITIONS & PROJECTS.

- 1] New Cobas B 221 installed in Biochemistry, H.O.D Dr. Esther says that they are now geared up to give ABG reports with lots of useful additional parameters.
- 2] The long wait has ended.... Finally we have our Proper Sewage treatment and Effluent treatment plants as per our bed capacity. This is mandatory for our schemes as well as NABH.Thanks to Mr. Ajit Hasurkar, Mr. Ravi Chopade and Mr. Dharmendra Sambargikar for their efforts under the able guidance of GS, Miss Sanandam. Thanks to Rev.Swarup Ras & Wanless Qatar team for donating towards this cause.
- 3] Our Drainage lines are old and keep getting clogged. It was becoming a daily nuisance. They have now being repaired, thanks to our alumni, Suresh and Rosaline More for their precious donation towards this cause.
