

Wanless hospital nurses have been the backbone of the hospital, keeping Wanless hospital standing tall and strong over 127 years.

On 22nd they used their culinary skills for FUNDRAISING and it was a super duper hit. Nursing Superintendent, Samuel Fernandes was their leader, Ashish, Vishal, Sangeeta, Seema, Praveen, Sanjay, Sandhya and many other nurses participated. Excellent background orchestra was provided by Atul Sonule and team. The Director said she was overwhelmed and blessed to have such staff who want to share in carrying the hospital's burdens.

Three cheers for our nurses and nursing department.
