SPECIAL NEWSLETTER ON MMC CHRISTMAS CELEBRATIONS 2011

Dear Friends,

Season's Greetings from Wanless Hospital, Miraj Medical Centre! We are delighted to bring to you a special newsletter on Christmas Celebrations 2011.

Christmas is a festival of listening to Voice of God. Luke 2: 11 says 'They heard the voice - "Do not afraid, I bring you good news of great Joy that will be for all the people". Bible speaks about voice of God from creation of world. He spoke to Adam, Eve, Noah, Abraham, Moses and even at the time of birth of Jesus Christ, many heard voice of God. Joseph heard voice of God and decided to stand behind Mary. Virgin Mary heard the voice and prepared

herself to give birth to a Saviour of the World. Angels descended from Heaven and given their voice to all. Shepherds heard the voice and saw baby Jesus. Stars heard voice of Angels and gave bright light in darkness to all Wise men heard the voice and went and offered precious gifts to baby Jesus. Friends, from the beginning till this day, Voice of Lord is calling us, wants to talk to us. But we often close our ears and do not pay attention. We do not respond, keep Lord on wait call. We ignore His voice. Everybody heard His voice and followed. Then why we should not listen to His Voice.

Friends we should open our eyes, ears, mind and receive baby Jesus in our mind. Let us listen to voice of our Lord and make our Christmas meaningful. In coming year, Voice of God calls and says 'Do not afraid, I will be always with you'. Merry Christmas and Blessed and Peaceful Year 2012.

Yours in His Service,

Dr. Deepak Kamle, MS, FRSH, FCAMS
DIRECTOR
